

**HAMILTON COUNTY COUNCIL 2018-19
SUE HUMMER SERVICE PROJECT**

HONOR FLIGHT - TRI STATE

Hamilton County Council has chosen the Honor Flight - Tri State as the recipient of our donations collected in honor of the Sue Hummer Service Project for 2018-19.

Honor Flight is a non-profit organization that raises the necessary funds to fly our Veterans to D.C. at no cost to the Veteran. The flight day is filled with great emotion. Often this trip is the "Welcome Home" or "Thank you for your Service" that some veterans never received.

The flight terminates at CVG where a huge crowd of family, friends and supporters gather later to welcome our Veterans home. One of the highlights of the trip and the Welcome Home celebration is "Mail Call" program. Each Veteran receives a 9 x 12 envelope filled with various types of Welcome Home and Thank you cards, letters and notes. We are also asking you to participate in this program with us. A packet is attached with suggestions on how best to have teachers and students participate.
